Membership Update

I would like to report that we are now 114 active members. It is an increase of 1 people since our last newsletter.

Since the last report we had 6 new members.

Welcoming to all our new members and thank you very much for those members that decided to renew their membership.

Request for Resubmission

Back in February, we received an intriguing piece of writing entitled “Two Spirit Destinies”, which the Editor would very much like to include in the next full edition of the Newsletter. Unfortunately, it has been placed in a safe place, too safe, and we can’t find it!

It was submitted anonymously by post, so we are putting out a general call to all our members to ask for whoever created it, please resubmit.

Thank you, and our apologies to the author.

Advanced Warnings and Notes!

The Annual General Meeting is on 30th April, come ready to vote for whoever you want to run the Group for the coming year!

Keep an eye on the website and your email for other events!

The diary is subject to change due to changes in circumstances, whim, Editor's insanity and attacks by Jellyfish Sprites.

Serious Footnote

The front cover is, of course, Lord Kitchener calling for recruits to server their country at the start of WWI.

The GGLC+ needs members to step forward to do their part in helping the Group survive, and stand for election onto the Committee. Without this, the Group will wither and die, and you, the members, will be left without a place to meet and socialise. This is your decision.
